Spring 2021

A Message from the Executive Director

Hello Friends of Caleb! I am honored to assume the role of Executive Director here at Caleb Caregivers. I began last year in September of 2020, and it has been an unbelievably gratifying position to see all of the good work this Caleb Community has put out into the world! As we all can relate, 2020 was a year unlike any other. The best part is now we have made it to the Spring of 2021 and we can now breathe easier as we all begin to move slowly back into our normal rhythms of our lives. The light is here! I have seen so much kindness and generosity from the people in the North Country, from the volunteers unselfishly donating their time, to the clients who brighten up our days by simply being themselves. Currently our active client base has grown to over 100, and our volunteers are at 22. We are in need of more volunteers to serve in many different capacities from driving to visiting a neighbor.

As we look toward the blessings of the future, I look forward to meeting and working with you all, our volunteers, clients, neighbors, and donors by serving our Seniors in the North Country.

Gratefully,

Barbara

Congratulations to Peter Riviere and Echo Remick!

Peter Riviere was recently honored by Caleb Caregivers with a plaque marking 10 years of volunteer service to the Caleb Community. Peter currently drives and delivers the NH Food Commodity Program monthly. Thank you Peter for your continued service! Echo Remick also received a plaque honoring her long standing support to Caleb recently as serving on our Board of Directors. Caleb is blessed!

THANK YOU TO OUR SERVED TOWNS, OUR FAITH COMMUNITY, AND TO ALL OF OUR DONORS. WITHOUT YOU, WE WOULD NOT BE HERE!

Exciting News! We have decided to expand our services into Colebrook. Over the next few months we will be recruiting volunteers in the Colebrook area to help us in our mission: “ Neighbors Serving Seniors”

Call us at 837-9179 or email calebcaregivers@gmail.com

We are offering a Volunteer Training Workshop this Summer! Now is the time to reconnect with each other and extend a hand to someone in need!

More details will be made available soon!

Here are some examples of how **YOU** can do “something” to support Caleb:

#1: Sign up to be a Volunteer! Help a Neighbor! It costs nothing and does not obligate you to do anything. **YOU** decide what you want to do and when you want to do it. One hour a month, certain times of the year, helping with one specific client or even just helping with events. Nothing feels as great as serving!

#2: Tell people about the FREE services that Caleb offers to our Seniors in the Community. Many of our longtime volunteers and clients have found us from word of mouth to friends and family. **Share the good news!**

#3: Donate to our organization. Donating your time is what we need the most from you. Donations can also be monetary but could also include donations such as items to add to our annual yard sale. Caleb gets funding from local churches, public donations and town appropriations. **Without this help, we would not exist.**
